

BT Buytime

BT Buytime* is an innovative service that allows your business to supply customers with a prepaid telephony service to make calls both home and abroad from virtually anywhere in the world. It is particularly beneficial for businesses whose customers need to keep in touch whilst away from base.

BT will supply your business with prepaid account numbers, you can pass on these account numbers to your customers via a medium of your choice i.e. create your own calling cards.

Benefits to your business

- Help generate additional revenue
- Allows you to create your own calling card products and services
- Brand penetration – design your own calling cards with your own brand / logo
- Potential to increase customer footfall through your business
- Help enhance the quality and value of overall service provided to customers
- Opportunity to help sustain and improve customer satisfaction
- May be used as a customer goodwill gesture, or for marketing / promotional activities

Design your own branded calling cards

Benefits to your customer

- Peace of mind – stay in touch whilst away from base
- Easy and convenient calling both home and abroad
- No dependency on coins to make calls in the UK
- Enables you to make a call from hotels (please check with your hotel for any additional charges that you may incur)

Key Features

- Extensive global coverage
- Use from most phones around the world
- Competitive end user prices
- Voice prompts which tell you:
 - How much money you have left
 - How much time you have left to talk to the number dialled
